

FIXED PRICE AGREEMENT PLAN

A Fixed Price Plan is a payment option that allows you to lock in today's price for your chosen item. You then pay for the item in instalments over time, with the price guaranteed not to change.

1. Starting Your Plan:

- Initiate your plan with a 15% deposit to secure your item at the current price.

2. One Item Per Agreement:

- Each agreement applies to a single item, ensuring straightforward management of your purchase.

3. Cancellation and Refunds:

- You are free to cancel this agreement at any point.
- A nominal administrative fee of R250 will apply for cancellation.

4. Payment Duration:

- The duration to complete payment under this Fixed Price Plan is 3 months from the month following your deposit.
- Should you require more time, the Fixed Price Plan can transition into a Lay-By agreement.

5. Product Viewing:

- We highly recommend that you view the item at our Benoni factory store to ensure it meets your expectations before finalizing your plan.

6. Returns:

- Items secured under a Fixed Price Plan may be returned within 7 days of delivery, provided they are unused and undamaged.

7. Monthly Payment Obligation:

- The Buyer shall commit to a minimum monthly payment equivalent to 15% of the total lay-by value of the item. This payment is due on or before the last business day of each month, commencing the month following the initial deposit.
- If the Buyer fails to make the prescribed monthly payments, the Retailer holds the right to unilaterally terminate this agreement. Upon such termination, the Buyer shall be entitled to a refund of amounts paid, subject to a deduction of a R250 cancellation fee and any other related costs incurred during the reservation period.
